

## Forest Lake PreK is seeking someone who is passionate about growing students' literacy skills

Forest Lake Area Schools' Little Rangers Preschool is looking for Minnesota Reading Corps tutors for the 2017-18 school year at Lino Lakes Elementary, Wyoming Elementary, and the Central Learning Center. As a tutor, you will have the opportunity to work with students every day, during the school day and help them become successful readers.

Minnesota Reading Corps provides comprehensive training in strategies proven to help students build reading and math skills. Tutors are paid a living allowance and are eligible for up to \$5,815 to pay tuition or repay student loans. Tutors 55 or older may gift the award to a child or grandchild. Tutors may be eligible for free health insurance and child care assistance.

Learn how you can get involved by visiting [readingandmath.net](http://readingandmath.net). You can also help by telling a friend or family member (grandparents make great tutors, too!) about openings in our program! Positions start in August for the 2017-18 school year.
