

WELCOME TO

CAREER LAUNCH

A COLLABORATIVE INITIATIVE:
FOREST LAKE AREA SCHOOLS AND
LAKES CENTER FOR YOUTH & FAMILIES

Career Launch connects students, area businesses, and communities by creating career exposure, readiness, and experience opportunities.

Students develop their academic, technical, and professional skills.

Businesses share their career knowledge and experience creating access to a more developed workforce.

Communities thrive when students are engaged in the community while developing career goals and learning skills demanded by today's economy.

FAQ

WHAT IS CTE OR HOW DOES CTE HELP ME?

CTE, or Career Technical Education, is a student's free opportunity to develop real world skills through hands on classwork. CTE classes take a closer look at related careers in the areas of Agriculture, Business, FACS, Health Care, and Industrial Technology.

WHAT IS WBL?

WBL, or Work-Based Learning, is a student's opportunity to be placed with an area business where they will earn high school credit, earn a wage, and learn new skills. WBL takes place in the *Career Launch Experience* class and could be a service learning project, internship, or youth apprenticeship.

WHAT IS THE BENEFIT OF CAREER LAUNCH?

Exposure—students better understand career opportunities and demands.

Readiness—students develop real world skills applicable to future career goals.

Experience—students participate in hands-on learning opportunities.
