

Dear Parent/Guardian,

The transition to Junior High is an important milestone for both students and parents. To help make this change as smooth as possible, please read the following information. More information and forms are located on the Forest Lake Area Schools website under the Student Services tab (drop down and click on Health Services) <http://www.forestlake.k12.mn.us/domain/116>.

Immunizations

Minnesota Statutes Section 121A.15 requires children enrolled in a Minnesota school to be immunized against certain diseases, allowing for specified exemptions. All incoming seventh graders need updated immunizations completed or the appropriate documentation for exemptions, signed and notarized on the MDH *Student Immunization Record*. Student immunization records are available on Schoolview. The form and further information are located:

Health Services page <http://www.forestlake.k12.mn.us/Page/545>

MDH website <http://www.health.state.mn.us/immunize>.

Confidential Student Health Information

During back to school orientation, information about Student Health Services will be available.

Complete and return the **Confidential Student Health Information** form, found on the back of the Emergency Contact form to the health office nurse. The form is located on the Health Services page:

Medications

If your child will need medication at school, bring completed orders and medication to the health office prior to the first day of school.

The medication authorization form is located on the Health Services page:
