

**Kindergarten and First Grade  
Individual Music Kits  
Lino Lakes Elementary STEM School**

Hello everyone, I am excited to see you in school and make music together!

Please collect the items below and bring your kit to use in music class.

**1 bag (not larger than a gallon ziplock bag) to hold the following items**

**2 Dry erase markers**

**1 pair of cloth gloves or a pair of clean socks**

**2 pencils**

**8 small items such as pennies, buttons, small erasers, legos, etc.**

**4 different "found sounds" to use for instruments:**

**Shake, Scrape, Clank (Metal) & Tap/Clack (Wood)**

\*Be creative with what you have in your house to make your instruments.

\*\*Use items you might recycle or you can repurpose

\*\*\*Make sure all your items fit in your bag

**Ideas for instrument making**

***Shaker:*** Find a small container and put something in it to make a shaking sound.

***Scraper:*** Find two objects that make a scraping sound when rubbed together.

***"Clank" or "Ring" (Metal):*** What do you have that is made out of metal that can be tapped or struck to make this sound?

***"Tap" or "Clack" (Wood):*** Objects can you tap together to make this sound?

If you have any questions, please feel free to contact me. [lsauer@flschools.org](mailto:lsauer@flschools.org)
