

I know you don't want to hear this but summer will soon be coming to an end.

Just a few tips for the upcoming school year.

Day Care forms need to be filled out each year

If you know that your child will be getting picked up or dropped off at a location other than your home the sooner we get the form the better. This does need to be done each year so we have attached one for your convenience.

Moving?

If you have moved over the summer please call and update the new address with transportation. It does not hurt to give us a call to verify we have the correct address.

No bus needed

Please let us know if your child will be driving or if you will be transporting them. If no bus is needed, letting us know would help us to route more efficiently.

You can download Here Comes the Bus App

Just a reminder this app is available for your convenience so you can track when your child's bus is coming.
