3rd Grade e-Learning Day Choice Board FLAS Day 2

- Students should choose at least **one** activity from each subject area column (Math, Reading, Writing, Science/Social and Specials)
- Place a check on the activities completed and have a caregiver/parent sign the bottom of the form. (If the student didn't receive a copy of this form, they may list the activities on a blank sheet of paper and have a caregiver/parent sign.)
- Students, please return this sheet to your teacher upon your return to school, and we will share our learning.

Math	Reading	Writing	Science / Social	Specials
Calculate the temperature difference between 9:00am and 3:00pm.	Read for at least 30 minutes.	Write a summary about what you read today.	Collect a few snowflakes on a dark piece of paper (black construction paper that's cold works the best). Use a magnifying glass to observe the different characteristics of each snowflake.	PE Complete 30 minutes of inside or outside physical activity.
Measure the perimeter of one room in your home to the nearest foot.	Have someone read to you for 10 minutes. Write the title and 2 sentences about the text.	Make a list of 10 ways you can be kind to someone.	Play a game using good sportsmanship and teamwork.	Art Draw and color using whatever materials found in your home to make a picture of yourself doing your favorite snow day activity.
Write a math problem and use your Number Talks skills to solve it three different ways.	Read a recipe and follow the directions to make it if possible.	Write a letter to your teacher about your day.	Create a timeline for your life that includes 5 important events from your life.	Music Sing & dance to two or more of your favorite songs.
Help bake something. You do the measuring.	Find a news article online or in print to read and write 2 things you learned.	Draw your favorite animal and label it. Add a caption.	Put snow in a cup. Observe what changes occur. Write a few sentences explaining what happened and why.	Media Make a poster of your favorite book character.
