REPORTS:
Workshop/Conference – No report given.

916 – Member Olson reported that Connie Ramberg was welcomed to their district. They approved the 20-21 budget and noted that they have deployed the Go Guardian system for filtering and monitoring student internet searches. She found this to be a reasonable system and perhaps we should look into in the future.

Communications Committee – Member Olson reported that the district is undergoing a postcard project to promote all the schools and their programs, geared to students not enrolled in our facilities. Many of our district facilities are opening up on varying levels.

Curriculum, Instruction & Equity Committee –Member Theisen reported that the Indian Education Program had a presentation filled with enthusiasm and passion. Assessment data coming from Fastbridge shows that our achievement in some areas has become flat, giving us something to work on.

Policy Committee – Member Luthner reported that they reviewed policies that are included later in the agenda.

Finance Committee – Member Corcoran reported a review of the 2020 budget to compare to last year, as well as the upcoming 2021 budget. They had a presentation from Balance Point Energy with the annual review of the district’s health plan.
Staff Welfare Committee – Member Rapheal reported that summer school was discussed regarding the Coronavirus, in regards to precautions that we will be taking and different strategies to maintain social distancing. We talked about 20-21 enrollment and the possibility of making an elementary school a magnate school in the future.

Equity in our Schools – Member Rapheal reported that there are many emotions in regards to the death of George Floyd and concerns to make sure to do anything possible to ensure that any racism or inequalities are taken care of. We have put measures into place to ensure that our education is equal to others, establishing different equity groups for the inclusion of many, with the public encouraged to participate. We built a strategic plan with the idea of equity and inclusion as primary core beliefs in this statement. This is an ongoing work to make sure everyone feels included at FLAS.

Buildings & Grounds Committee – Member Keto reported that they received an update on the bond projects and that there are upcoming capital projects. The athletic field project is a stand out with a total cost of about 7.4 million dollars. Also reviewed were the CLC and STEP projects and looking at the upcoming floorplan for the new school.

City of Forest Lake – Member Keto reported that the construction at 97 and Goodview is moved into two lanes, so Goodview is staying open.

Superintendent’s Report – Dr. Massey shared details of a letter that was sent to families last week, expressing the sadness at loss of life and anger and pain felt by so many during this time. This past fall we accepted a Strategic Plan, with core beliefs that our education equity is the foundation for all we do. The Everyone Belongs Project has met to plan activities for the district to learn and listen. Sessions have been scheduled and are listed on our website. We will be celebrate our 2020 graduates tomorrow night, whose senior year has been significantly impacted. Summer school starts in June, with various hybrid models. We will continue the meal program through the summer at various schools. These locations and dates are listed on our website. When looking at coming back in the fall, we are not certain what this will look like, but will be planning for varying aspects. The MDE has communicated they will have guidance as we go forward. Multiple Acts and Programs will also be providing various funding relief, to be geared for distance learning specifically food service and childcare. Members Theisen and Luthner thank Dr. Massey for his compassionate and genuine writing towards our families and community.
