SEE HOW WE CAN EARN EXTRA MONEY

NICKELS FOR SCHOOLS is a KEMPS program where schools earn cash by redeeming Kemps specially stickered caps from plastic gallons and ½ gallons of Kemps white milk and skim chocolate milk, or with proof-of-purchase (P.O.P.) symbols from paper ½ gallons of white milk, cottage cheese, and sour cream.

Please pre-wash and dry all caps before bringing in to the school.

SAVE FIVE FOR SCHOOLS

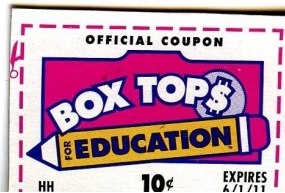

Buy gallons of LAND O' LAKES Milk, Orange Juice, or Chocolate Milk. Save the caps with the Save Five For School stickers.

Please pre-wash and dry all caps before bringing in to the school.

LABELS FOR EDUCATION has been awarding free educational equipment to schools in exchange for proofs of purchase from the Campbell family of brands (visit www.labelsforeducation.com).

Clip and save UPCs and beverage caps from participating products worth 1, 5, & 10 points.

BOX TOP\$ FOR EDUCATION

Clip box tops from hundreds of participating products. Each one is worth 10 cents when our school redeems them from Box Tops for Education. Visit www.boxtops4education.com for product list.

RONALD MCDONALD HOUSE CHARITIES

Collect pop tabs instead of entire aluminum cans because it is more hygienic to store tabs than cans, and collection and storage is easier. Save your pop tabs and bring them to school. We are currently filling a large container.

PRINTER CARTRIGES

Don't throw away your empty printer ink cartridges, bring them to school and we will recycle them along with earning a little extra cash for the school.

Bring your items to school and teachers will assist your child in getting them to their proper collection bins.

Thank you in advance for your participation and efforts to earn the school some extra cash.
