

FOREST LAKE AREA MIDDLE SCHOOL

6th Grade Parent/Student Orientation Night

As we welcome our next class of future 7th graders at Forest Lake Area Middle School in style, we would like to invite parents and their current 6th graders to join us for an information and orientation night on either January 14th or 15th. This will be a night where we will share information on:

- what the day of a 7th grader will be like at Forest Lake Area Middle School.
- information on courses available to 7th grade students.
- descriptions of after school clubs and activities offered at the middle school.
- an introduction to some of the key staff who will support your student's education.
- information on how parents can support their student through the middle years at home.
- how we create a safe and supportive environment for students to flourish.

Additionally, parents and students will get an opportunity to explore the building and begin to familiarize themselves with the school they will attend in the fall. We hope to see you all there.

The event will take place at the Forest Lake Area Middle School Cafeteria from 5:30 to 7pm

Students with the last names A-L should plan to attend on Jan 14th

Students with the last names M-Z should plan to attend on Jan 15th

This is done to ensure parents have enough parking and we balance attendance across the two nights. Of course, if the night on which your alphabet falls doesn't work for you feel free to come on the opposite night

LOCATED AT FOREST LAKE AREA MIDDLE SCHOOL

21395 Goodview Ave., Forest Lake, MN
