

TECHNOLOGY IN THE SECONDARY SCHOOLS

ParentVUE and Canvas

ParentVUE (Synergy)

Used for:

- Attendance Reports
- Student Schedules
- End of Semester Report Cards
- Demographic/Contact Info
- Test History

How to Access:

- See the ParentVUE section of the Family Newsletter:

<https://www.smore.com/qpe0d>

There's an app for that!

StudentVUE (Synergy)

Used for:

- Student Attendance
- Student Schedules
- Schedule Requests/Registration
- Lunch Pin
- School Login and Password

How to Access:

- Students with accounts can access it at ms.flaschools.org
- Students without accounts should see someone in the front office

There's an app for that!

Canvas (Learning Management)

Used for:

- Course Content and Information
- Daily Gradebook/Progress
- End of Semester Report
- Teacher Contact Information
- Class Syllabus
- Student Login and Access Records

How to Access:

- Students will learn Canvas at school
- Parents can observe students! Follow the instructions in the link below:

<https://www.flaschools.org/Page/3592>

STUDENTS! There's an app for that!
