

ELECTRONIC REPORT CARD

Century Junior High is providing report cards electronically via SchoolView to enhance faster communication with parents as well as to reduce the amount of paper and cost incurred each year in printing report cards. However, only by signing and returning the following for each child enrolled at Century Junior High will you receive a paper report card:

I am requesting to receive paper report cards for:

Student's Name

Student's Grade

I understand that a paper copy will be sent home with my child via quarterly grade envelopes. I also understand that final year-end report cards will be sent home via U.S. mail at the end of the school year.
