

Parents, businesses and community groups have been willing to donate funds on an annual basis to temporarily offer some activities. It is the policy of the School Board to accept these donations and offer these activities with the following considerations:

- A. Donors will contact the Superintendent (or Designee) stating their intention to donate sufficient funds to offer a specific activity for one school year.
- B. The School District will determine the full cost of the specified activity for one school year.
- C. All Title IX requirements as determined by the School District will be followed.
- D. Volunteer coaching positions in 7-12 activities will be approved by the School Board.
- E. Donors will make full payment to the School District prior to the beginning of the activities season. The School District will determine a deadline date for the receipt of these funds.
- F. Prior to the beginning of the activities season the School Board will decide whether or not to accept the donations of funds and/or volunteer time in order to offer an activity for the upcoming season only.
