INDEPENDENT SCHOOL DISTRICT NO. 831  
Forest Lake, Minnesota  
REGULAR SCHOOL BOARD MEETING  
September 1, 2016

The regular meeting of the School Board of Independent School District No. 831, Forest Lake, Minnesota, was called to order by President Rob Rapheal at 7:00 p.m. on Thursday, September 1, 2016, at the School District Offices. Following the Pledge of Allegiance, roll was called and the following members were present: Julie Corcoran, Dan Kieger, Karen Morehead, Luke Odegaard, Jill Olson, Robert Rapheal, Gail Theisen, and Superintendent Linda Madsen, ex officio.

The meeting agenda was reviewed and it was noted that agenda item 10.1 under New Business was added.

4. **VISITORS:**
   Listening Session: Members Rapheal and Theisen reported two visitors attended the Listening Session.

5. **STUDENT ACHIEVEMENT:**
   CME/ALC/CLC Principal Kelly Lafean and Dean of Students Mark Jansen passed out brochures for the Central Montessori Elementary School and the Forest Lake Area Learning Center to show the education options for families. They discussed their collaboration with other district buildings, alternative learning support for students, and credit recovery options for ALC students. The principals and deans at the secondary level are working together for seamless dual enrollment options at the ALC and the high school, and they will be collaborating with FLHS to start an extended day program at the YMCA for qualified students.

   Mr. Jansen said the ALC is a MAP (Minnesota Alternative Programs) School and he takes students to the state capitol once a year to meet with legislators to talk about alternative education.

   Dr. Lloyd Komatsu gave the board an Assessment and Testing Update. Dr. Komatsu reviewed the spring MCA test results for Forest Lake students along with state averages. He looked at students doing less well and those doing above state averages to monitor academic growth and to make sure all students continue to accelerate and to do well.

   Positive Happenings: School Board members reported on the many programs, events, meetings and visits to district schools during the past month including: back to school open houses, tour of high school construction project, backpack give away, football scrimmage, Arts in the Park, and new teacher luncheon.

6. **REPORTS:**
   Equity Alliance MN – Member Morehead reported they continue to look for grants.
City of Forest Lake – No report given.

916 – Member Theisen reported 916 is in transition and meetings will be switching to the 2nd Wednesday of the month.

Reshaping Opportunities for Success 2015-2020 – Business Director Larry Martini gave a project update and stated all buildings will be opening next week without children being displaced. Construction is underway for an onsite clinic at the high school to be operational mid-November. He reviewed the summer and fall 2017 work, summer 2018 and 2019 work, and gave a MnDOT roundabout construction update. The roundabouts and pedestrian bridge will be operational on September 2 with both roundabout lanes opening by the end of September.

Superintendent’s Report: Dr. Madsen commented on all the building and work completed since the November election and she appreciated the great team of building professionals and staff. The Forest View open house was held outdoors but will be ready for school to begin on Tuesday. Growing TEFFLA will be at Waldoch on September 15 from 5-8 pm, the Youth Service Bureau fund raiser Black Tie to Blue Jean event will be at Vannellis on September 23 from 6-10 pm.

Sixty new teachers began with the district on August 23, and all teachers returned on the 29th. The Chamber of Commerce and over 50 local businesses welcomed new teachers at a luncheon and Dr. Madsen thanked the Chamber and Ted Blank for his work putting this together.

Elementary open houses were Wednesday night and there was great attendance by families. Open houses at the secondary level have occurred and were also well attended.

The district (with use of grant monies) and many community partners provided over 400 backpacks with supplies to families. Families were urged to register ahead of time but we are still taking calls and filling those requests.

School starts on Tuesday.

Athletic Director Aaron Forsythe was on hand to talk about fall sports. Forsythe stated fall activities started a few weeks ago and the high school varsity teams are already in competition. The 7-8 transition to Community Education and FLAAA is going very well with increased participation in volleyball and soccer, and they are maintaining a competitive schedule as has been in the past.

If you will be attending varsity events at the high school, please enter through Door 9. Overflow parking for heavily attended events will continue to be at Century.

7. CONSENT AGENDA ITEMS: Member Kieger pulled agenda item 7.3 and moved to approve Consent Agenda Items 7.1, 7.2, 7.4, and 7.5. The motion was seconded by Member Morehead. All members present voted aye and the motion carried.
